Title : Hua Hin Swimming Team Competes in Bangkok

FAST WATER MEET WITH THE BANGKOK DOLPHINS

On October 20th Matt Adcock took the Swim Hua Hin Team to Bangkok to participate in the Fast Water Swim meet hosted by the Bangkok Dolphins. The meet was an excellent opportunity for these swimmers to gain some competitive experience in an actual standard short course pool (25 metre) with starting blocks and lane ropes. Prizes were awarded to all participants, but more importantly the swimmers now have a record of the times they swam and an understanding of how swim meets and swim competitions work.

All eleven swimmers from Hua Hin did very well. I was very impressed considering many of them have only just learnt to swim correctly with Swim Hua Hin in the past 12 months. Hopefully as more children join the Swim Hua Hin Team, more opportunities like this will arise, and I am sure one day we will have an aquatic facility in Hua Hin so we can invite other teams here.

See team photo below. To view photos from the day log onto www.swimhuahin.com.
